Dear Parent/Carer

### Outcome of School Day Timing Consultation

Following our extensive consultation regarding making changes to our school day, I am delighted to confirm that there has been overwhelming support for the removal of our traditional ten-minute daily registration time and also for the reduction in our lunchtime to 40 minutes.

Our consultation involved school staff, pupils, parents, Parent Partnership, local schools and local Councillors and we have received finalised approval from the Director of Education to go ahead with our proposals. We have listened to the feedback from all parties and have taken on board the request for consistency of lunch-break times and the concern that 5-period mornings may be too lengthy for children and staff on the longer days, which could ultimately impact on learning and teaching.

When the school re-opens for our new session on Monday 15<sup>th</sup> August 2016, King's Park Secondary School day will be as follows:

Start time:	8.50 am
Lunch time:	12.25 pm
Finish time Mondays-Wednesday:	3.35 pm
Finish time Thursdays-Fridays:	2.45 pm

Period one class will begin promptly at 8.50 am, therefore I would appreciate if you could ensure that your children arrive at school in advance of this time to allow lessons to begin swiftly.

Thank you for your support with this change and thank you also to all of the parents who returned questionnaires or who voted via our Survey Monkey. The return rate using both of these methods was very high. I hope you all have a fabulous summer break and look forward to working with you and your children in the coming session.

Yours faithfully

Kirsty Ayed
