# WHAT GREAT SPORTS!

4th April 2008

## *King's Park sports a big success!*

On Friday 14<sup>th</sup> March, King's Park Secondary School's Charities Committee organised lots of fundraising events to raise money for BBC's Sport Relief. The pupils had a non-uniform day and were invited to join in hook-a-duck, coconut shy, hair-spraying and beauty therapy activities during the day. They also devoured the delicious food at the home-baking tuck shop, which also raised cash for the event.

Kerry Lennox, Chairperson of the Charities Committee said "Today was a great success. It was lots of hard work, but raising so much money made it all worth it!"

During lunchtime, in the P.E. halls, the committee worked alongside the P.E. teachers to set up a sports competition for both the junior and senior years. The activities consisted of an egg and spoon race, a sack race, a three-legged race and finally a tug of war. The pupils enjoyed themselves immensely, especially the winners who were rewarded with Easter eggs for their efforts.

There was also a high turnout of pupils to watch the action and they had as much fun as the participants. Especially when people fell over!

But the activities were not just limited to Friday.

Members of the Committee, their link teacher Miss Dougan and one of the Depute Heads have volunteered to do a sponsored cycle around Millport, which should raise some extra funds. The school raised over £500 on the day and the target is over £700. Head Teacher Mrs Margaret Barr said "Our fantastic Charities Committee supported

by Miss Dougan have done it again! Another very successful event - fun for everyone, well organised and most important, raising lots of money for a good cause. Well done everyone!"

Everyone enjoyed the home baking stall!!
