

King's Park Secondary School

Health Promoting School - Quality Review

6 December 2007

Health

- Physical, social, spiritual, mental and emotional well-being, in relation to oneself, society and the environment.

Being Well, Doing Well'. 2004

Health – Fundamental

Key aims of Glasgow's Education Services:

1. **Maximise the learning potential of all the young people of Glasgow**
2. **Provide education and support of the highest quality to all**
3. **Do so in a spirit of partnership and consultation.**

Physical, social, spiritual, mental and emotional well-being, in relation to oneself, society and the environment.

Learning Community

Working Together - Building Safer Communities

Partnership and Engagement

Leadership

Leadership at all levels – needed for the promotion of positive health and well-being.

- **Unpromoted member of staff running Eco-Group**
- **Pupils devised a system of house competitions in relation to attendance and behaviour.**
- **Active Citizenship**
- **Pupils confident, giving their views, and knowing that they will be listened to.**

Health Promoting School

Some of the other capacities and dispositions we promote are:

- Rights and responsibilities
- Opportunities for personal development
- Citizenship
- Respect for self and others
- Partnership and engagement
- Equality
- Lifelong learning
