

Directions to King's Park Secondary School

14 Fetlar Drive
Glasgow G44 5BL
Tel: 0141-582 0150

King's Park Secondary School is in the south-east of Glasgow, one and a half miles south of Hampden Park, on the No 5 bus route.

The school is accessed from Fetlar Drive. Please note – Fetlar Drive is NO ENTRY from Carmunnock Road. The school can be seen from Carmunnock Road, but you cannot reach the school directly from there.

There are various ways to reach the school, but for new visitors, the directions below are the most straightforward.

FROM THE NORTH (Aitkenhead Road, Carmunnock Road) – Travel along Carmunnock Road, with King's Park (the park) on your left, and the school on your right. Drive past the school, over the brow of the hill and through the traffic lights, until you reach Croftfoot roundabout. At the roundabout, turn RIGHT, then immediately RIGHT AGAIN. Drive IN FRONT OF THE SHOPS in an L-shape. This takes you parallel with the main Carmunnock Road. At the T-junction, turn left into Fetlar Drive. Be careful of the pedestrian entrance. There is a vehicle entrance to the car park. If the car park is full, it may be necessary to park in the street. Please think of our neighbours and park kindly. Thank you.

FROM THE SOUTH (Carmunnock Road) – At Croftfoot roundabout, turn left.

FROM THE EAST (Croftfoot Road) – At Croftfoot roundabout go straight on.

Then immediately RIGHT. Drive IN FRONT OF THE SHOPS in an L-shape. This takes you parallel with the main Carmunnock Road. At the T-junction, turn left into Fetlar Drive. First entrance is for delivery vehicles. Second entrance is for pedestrians. Third entrance is for the car park. If the car park is full, it may be necessary to park in the street. Please think of our neighbours and park kindly. Thank you.
