

# the National Parent Forum of Scotland

Dear S4 Parent/Carer,

As part of the National Parent Forum of Scotland's commitment to support Local Authorities, schools and parents to improve parental involvement we would like to invite you to an event we are holding to hear about the experiences of you and of your child around their S4 year. We are very interested in discussing how you have found the first year of the new National Qualifications and how you feel some of the more practical changes were managed.

As an S4 parent we value your reflections of how you feel that the session 2013/14 has gone and ways that could help the progression for the next year of pupils sitting N4 and N5 qualifications.

The NPFS will in turn feed back this parental perspective, at a national level, to the CfE Management Board, members of which include Scottish Government, Education Scotland and the SQA.

Details of the event are:

Address: Glasgow City Chambers, George Square, Glasgow City G2 1DU  
(enter by gatehouse on Cochrane St)

Date: Wednesday 4 June from 6.30 pm for a 7pm start until 8.30pm

Please RSVP to [enquiries@npfs.org.uk](mailto:enquiries@npfs.org.uk) before Friday 30 May.

Yours,

Iain Ellis,  
Chair,  
National Parent Forum of Scotland
