Dear Parent/Carer,

Supported Study Programme

In our drive to continue supporting improved attainment, I am delighted to be able to share our supported study programme with you. We have a wide variety of supported study classes that are available to your child every week in King's Park Secondary School. It would be beneficial to your child's progression to attend some of these extra classes in the applicable subject areas. These sessions range from formal classes to more informal, personalised drop-in sessions. Attending supported study is a key support mechanism the school offers which will help your child to reach his or her potential in the forthcoming SQA exams in May.

I would ask that you encourage your son or daughter to use this extra support offered by the various departments across the school. These classes will run all year and we are confident that regular attendance of these sessions will make a significant difference to your child's attainment. Please see the details of the sessions offered overleaf.

Many thanks for your continued support.

Yours sincerely,

A handwritten signature in black ink that reads 'K Ayed'.

Mrs K Ayed
Head Teacher
