Community Sports Leader Training for S5-6's

17 Kings Park Secondary pupils attended school from 9-4pm each day over the October Week Holidays to take part in a Community Sports Leadership Level 2 Coaching qualification coupled with a First Aid Course. Trained by Chris Woodcock (Sports Leadership/Active Schools) and myself (Aiden Byrne—Active Schools) the 35 hour course

taught the pupils how to lead games, sports and coach children. They also put their skills into practice one day at the Holiday Activities Programme where they shadowed the coaching staff and assisted with sessions. CSL's will now be working as volunteers in the Secondary and Local Schools on work placements to complete their

course and to increase the amount of activity and sports clubs available to children!

Future

- Active Schools Secondary Dance event
- Community club and holiday programmes continuation and development
- Senior S6 Leaders to Mentor new Sports Leaders next year!
- School lunch and after school events
- Assist in transition events and sports days
- Leaders and Captains will continue to come up with new ideas for the PE and Active Schools staff as they need our inspiration!!
