Our colleagues have given many years of service to King's Park, and have worked very hard for the children and families of our school community. I should like to record my grateful thanks to all of them for their work, and wish them all a happy and fulfilling future.

We also say good-bye to the probationer teachers who have been with us for the past session - Dr Khan, Miss Mauchline and Mr Ogilvie. Best wishes in your future careers.

Other staff who are leaving us at the end of the session to go to other schools, are Mr Hadil, Technical, Mr McGuigan, Physics, and Miss Maupetit, Modern Languages. Again, best wishes for the future.

Each year, several temporary staff also work with us. We hope they will be able to return, but we may not know until August, if they will be with us again next year. Thanks for all your hard work.

Dear Parents and Carers

Another school session has flown past, and we are rightly proud of the many achievements of our pupils. Our school website will keep you up to date.

Attached to this newsletter, you will find the presentation which we will give to all pupils in special assemblies this week. It explains the importance of school uniform, and it ends with our school motto. Video Meliora Petoque – I see and aim for better things. We are always working to improve.

We want nothing but the best for your children, and we have high expectations of them. We need you to continue helping us. I know that, working together, we will always see and aim for better things.

Thank you for the very many messages of support which the school has received recently. Wishing you an enjoyable summer.

Kind Regards
Margaret Barr
Head Teacher
