Sport Relief, Kings Park Community Club and Spring Holiday Programme Edition Feb 2012

Active Schools Update

From the start of 2012 schools in the Kings Park Active Schools Area have been active in various projects.

My Primary Schools: OLA, Merrylee, Toryglen, Croftfoot, Kings Park, Mount Florida and Miller Primary have been involved in various ways of getting children active for 60 minutes a day.

Some schools have accessed the Langside College Volunteer placement scheme delivering golf and netball sessions in schools linking with the *local golf club in Castlemilk St Margaret Marys on Tuesdays (6-8pm)* and within netball the training was in preparation leading up to the Kings Park Schools Netball Regional finals on the 16th of February which was won by Toryglen Primary. Local Netball is available at Kings Park Secondary with the *Holyrood N.C. on Saturdays at 10-12.*

Another success was the South Side Active Schools Cross Country event at Neth-

erpollok Park. As a team of schools - children from the Kings Park Area Schools were placed 1st of the 9 South Side areas represented at P6 level boys and girls and 3rd and 4th at P7 boys and girls, with some great individual performances. More to follow in the Spring Full edition.

Kings Park Secondary: Sports Leaders from Kings Park Secondary are running various clubs at lunch and after school and are also going on placements in Primary schools leading sports and activities. Sports Captains in the secondary are leading the way with the marketing and promotion of all activities and even project and event management such as assisting at the recent swimming gala!

Additional Support For Learning Schools: Hampden and Toryglen Autism Unit are enjoying a Project of Clyde Gateway/Active Schools Health and Fitness Sessions in School on Fridays leading to a fun health day whilst learning about health and fitness through games and lessons!

Sport Relief Mile run at George Square

Free Parent and Child Sport Relief Run

Children from schools are offered the option to attend (with a parent/carer) the Sport Relief Mile at George Square on the 25th of March between 1330 - 1400 <http://my.sportrelief.com/search/event/result?id=1015>.

Free Registration:

Any P3-7 child or Secondary pupil can enter. Instead of parents registering their child online and paying for it themselves - registration is FREE through me due to further Active Schools Funding and a kind donation from John Harkins - Health development officer for the NHS.

We will fund a limited (about 100 parents and children) number of applicants from my local schools.

1. All Primary children must be transported and escorted to and from George Square by a responsible parent/carer. Secondary pupils can travel themselves with their parents consent.
2. Kids attending the Primary Breakfast Sport Relief Clubs can run with Active Schools Coaches whilst Children not attending the breakfast clubs must run with an adult.
3. If interested parents/carers **must complete the online (Excel) entry form** on the Kings Park Secondary website and return it to me by the 7th of March for a free place! For full information visit:

<http://www.kingspark-sec.glasgow.sch.uk/>

Fancy Dress is allowed!

P.T.O. for the Registration form for Kings Park Area schools (5-8 year old) Games and Activities Community Club and (5-12's) Easter Holiday Programme Application Forms!
